

Correlator::printObservable

```
graph LR; A[Correlator::printObservable] --> B[Parallel::Communicator::getProcessRank]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'Correlator::printObservable'. A blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right. This second box contains the text 'Parallel::Communicator' on the top line and '::getProcessRank' on the bottom line.

Parallel::Communicator  
::getProcessRank
