

nlohmann::basic_json::get

```
graph LR; A[nlohmann::basic_json::get] --> B[nlohmann::detail::from_json]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border, containing the text 'nlohmann::basic_json::get'. The right box has a white background and a black border, containing the text 'nlohmann::detail::from_json'. A dark blue arrow points from the right side of the left box to the left side of the right box.

nlohmann::detail::from_json
