

LuscherAction::computeStaple

```
graph LR; A[LuscherAction::computeStaple] --> B[LuscherAction::updateMulIndex];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'LuscherAction::computeStaple'. The right box is gray with a black border and contains the text 'LuscherAction::updateMulIndex'. A dark blue arrow points from the right side of the left box to the left side of the right box.

LuscherAction::updateMulIndex
