

GLAC/io/observablesio.h

```
graph TD; A[GLAC/io/observablesio.h] --> B[string]; A --> C[vector];
```

A diagram illustrating the dependencies of the header file `GLAC/io/observablesio.h`. The header file is shown in a gray box at the top. Two blue arrows point downwards from the bottom of this box to two separate white boxes below it. The left box is labeled `string` and the right box is labeled `vector`, indicating that the header file includes or depends on these two standard library components.

string
